Masters Men 12:50:00

Masters Women 12:51:00

STADIUM/START/EXCHANGE

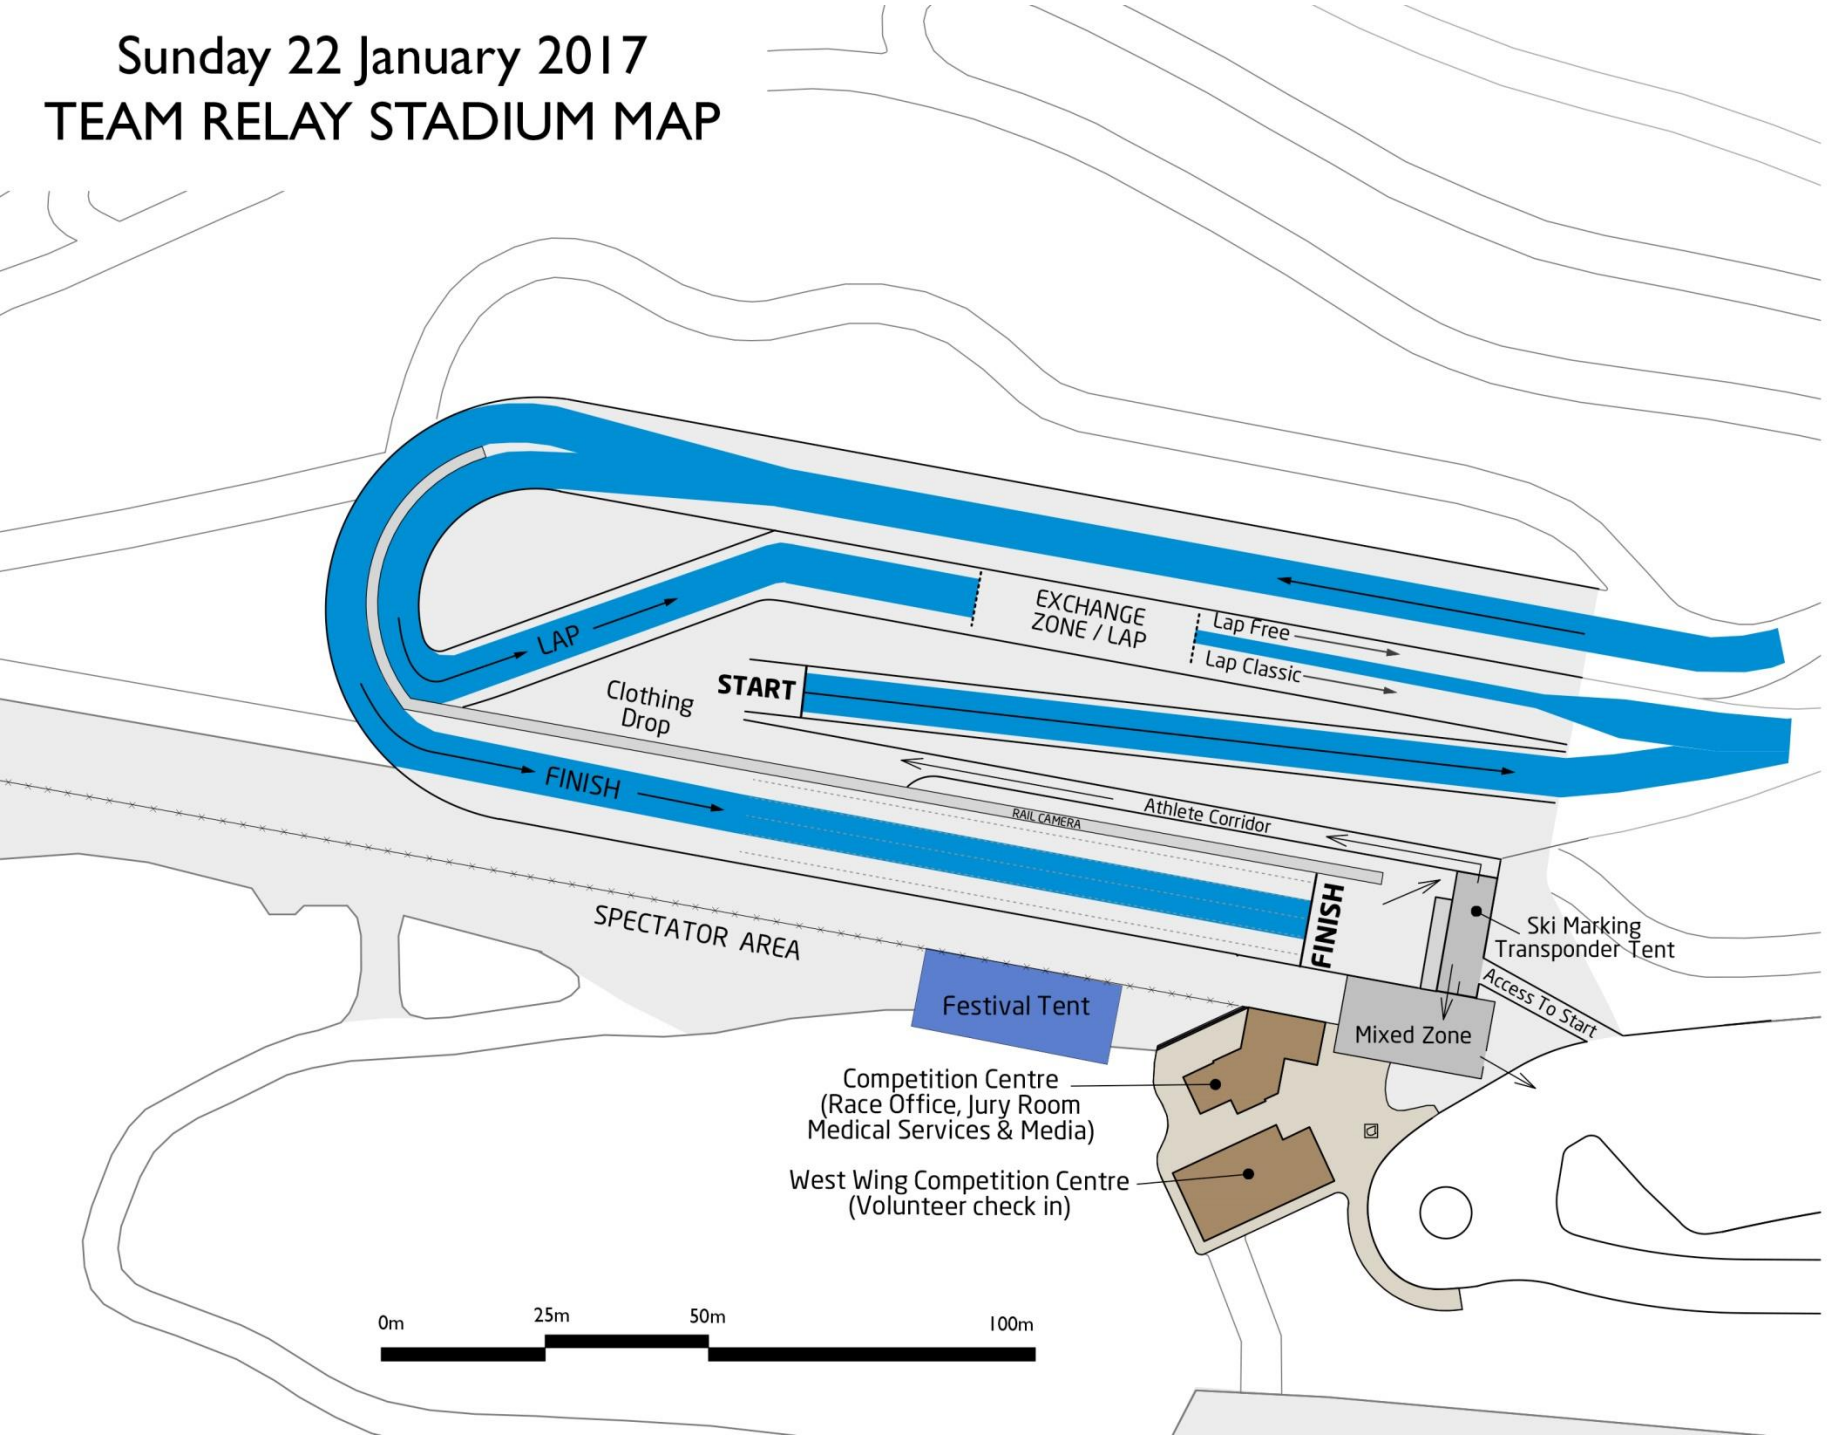

- Please have athletes enter the stadium in the same way
- No timing chips
- Start will be from a 5 lane chevron grid
- Racer position in the grid will be based on total points for all athletes on official teams. In case of a tie, team with the highest point athlete wins
- Unofficial teams and teams without points will be random draw at the back of the grid
- Some races will start 1 minute apart. Please have your athletes to the start in plenty of time to load the grid
- The exchange zone will be on the athletes' right side as they approach, lap lane for through traffic will be on their left
- Athletes MUST exit the exchange zone to their right into stadium to avoid contact with athletes on a lap to their left

STADIUM/START/EXCHANGE

- Clothing drop
- Red dye will mark the start and finish of the exchange
- The area inside the stadium adjacent to the exchange zone is for athletes only
- Have a radio on the backstretch to call in your athletes to the exchange zone – Athletes can only stand in the exchange zone when they are preparing to exchange
- No waxing inside the stadium
- Waxing may happen in your cabins or along that portion of the finish lanes – there will be a marshalled area at the start of the finish corridor to allow wax techs to cross and bring in skis
- This is to allow athletes safe room to warm up

Sunday 22 January 2017 TEAM RELAY STADIUM MAP
